Notes			
<p>1. The above prices are a guide to what it would cost for work to be done on old type locks or keys.</p> <p>2. For an exact price, a quotation would need to be done by our locksmith. For a quotation we need the lock removed from the box and the number of keys you require.</p> <p>3. Always send old locks to us in special delivery envelopes and insure for not less than £500. These items are no longer made and are irreplaceable.</p> <p>4. Dating old locks precisely is not possible in most cases, but often we can give a guide.</p> <p>5. Please allow the minimum of seven working days for completion of work.</p> <p>6. For further information please refer to www.bramah.co.uk</p> <p>7. Accepted quote work is generally done within 7 - 10 days, subject to staff holidays. Quicker by agreement only</p>
